Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: Don't take my Compounded Natural Hormones
away! It's taken years of suffering before I
found the natural hormones that have
ended my symptoms of sleeplessness, depression,
anxiety & rage. I feel normal again & enjoy
a full & satisfying life. I need this prescription
intently, so don't limit the medication my Dr. has
prescribed. Since it's not available in my state,
I need to get the prescription from out of state.
Please hear me clearly... don't limit or take
away my Compounded Natural Hormones!
